

Snake Curved Corner & Double Unit

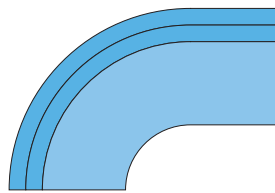

High Back Unit

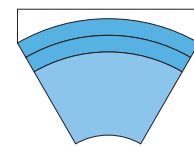

**Dimensions** – Snake is a semi-custom range made to order with a **variable depth, height and radii.**

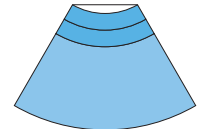

1500w 1200r  
J-section concave

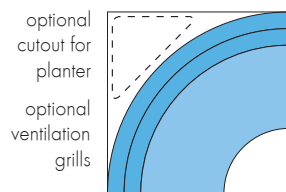

1800w 1200r  
J-section concave

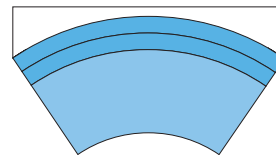

1200w 1200r concave

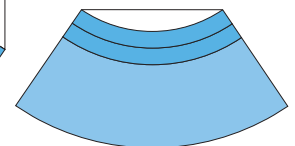

1200w 1200r convex

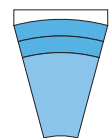

1200w 1200r concave

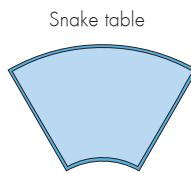

1800w 1600r concave

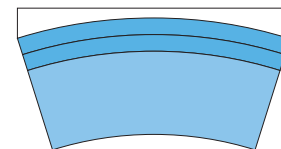

1800w 1600r convex

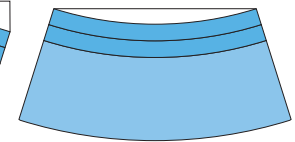

600w 1200r  
Single concave

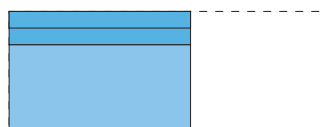

shaped linking table,  
sizes to suit

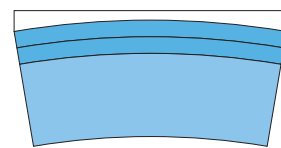

1800w 3000r concave

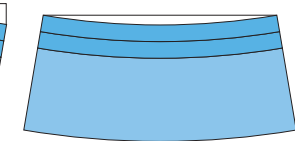

1800w 3000r convex

1200w to 2100w maximum

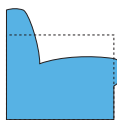

1800w 5400r concave

1800w 5400r convex

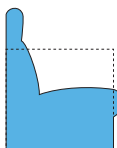

low back

h 730  
d 660-770  
s 420

standard arm  
h 560  
w 100

high back

h 940  
d 660-770  
s 420

high arm  
h 670  
w 100
